December 2011

From the Principal

Wow! Eight weeks and 34 days of instruction flew by which brings us to parent/teacher student-led conferences, scheduled the week of 10/31 thru 11/3/11. These are mandated conferences for both parent/guardian and student to attend. It is vital that Bridge Academy students are able to share with all parents their progress, strengths, weaknesses, grades and goals. I am pleased to share that 11 students achieved level 5 this quarter. Due to their hard work along with an amazing and committed staff, many of them are eligible to transition. This is a great accomplishment and I would like to recognize those who have achieved Level V status.

P/T Conferences

Bridge Academy Fund Raiser: Held on OLMS track & field on October 28, 2011. A total of \$280.92 was raised. Kendall Harr was our top student who raised the most money. Congratulations Kendall! Thanks to all who participated.

Registration Fees need to be paid as soon as possible please.

Freshman Academy: Three students have left us for Magic Valley, they are: Justin Sonneland, Karissa Shook, and Shane Welch. We wish them the best for their continuing education. We have several students working on high school credit and doing well with their courses. We are looking to move two or three more students to Magic Valley by the end of December. We have several new course offerings from IDLA so check them out.

~ Mr. Brooks

Transition Center: I would like to welcome all of our new students to the TC. I look forward to helping you be successful and reaching your goals. We have one student that has completed an English credit and another who is 92% complete for a math credit. Congratulations! As we get closer to completion dates, please be sure to ask your student about progress reports. They are handed out every 2 weeks. It will tell you the % completed and the grade thus far. Also, don't forget that students can get on their courses from any computer that has internet. It doesn't have to be just at the TC. ~Mrs. Walker

From the Teachers

Room 3: Please check for homework each night in your child's agenda book. Also weekly progress reports will let you know which assignments are missing. I am truly concerned with the success of your student. Thank you for your support!

~ Ms. Robbins

Room 4: My home room shared narratives with third-graders at Morningside Elementary on November 18th for our Outreach. It was a great experience for both our students and theirs! The other classes will get to do the same at Harrison or Sawtooth in December.

~ Ms. Kober

Room 5: Boy the year is flying by. The next few months will help the students to turn their study skills into habits. Remember that your student needs to stay engaged in the learning process to be successful. Your support makes all the difference.

~ Mr. Corgatelli
